

Directions to Mont Salonica – Arenal, Javea

From Alicante Airport

As you leave the airport car parks, you'll see a sign above and in front of you for Madrid and Valencia - pass under this and you will then bear left. Follow this and then you will bear right – you will find yourself on the Motorway almost immediately. After a few hundred metres you need to branch right signposted **Valencia. (Do not go straight on to Murcia.)**

You should now be on A7-E15 Autopista to Valencia.

After about 10 mins after you go around Alicante you will come to a toll booth – take a ticket. Then just drive with the sea on your right through a couple of tunnels, past Benidorm and Calpe for 35 to 40 minutes and look out for Junction 62, signed Javea/Xabia, Denia, Ondara.

At the end of the slip road you will need to pay your toll – approx 8-9 Euros.

100m after the toll you will see a small slip road on the right signposted to Javea – take that. You should now find yourself on the N332.

You then continue for approx 5.5km passing a Shell garage and then some commercial buildings. As you come to a curve in the road there is a slip road on the right signposted Javea – take this.

Keep straight on this road over roundabouts (3) approx 7km. Continue on and as you come to a brow of a hill about 100m after is a 4th roundabout which will be signposted left for Javea town.(Centre Urbano). **Ignore this and go straight on.** You should now be on a dual carriageway.

Go through three traffic lights to the next roundabout with a Lidl supermarket on your right. Turn Right.

After 200m you will come to another roundabout, take the first exit to the right. At the next roundabout go straight over.

Continue on this road until you reach another roundabout with the Cam Bank on your right and Solbank on your left, where you will need to turn left – signposted Playa (beach).

To the end of this road is a roundabout – you will see the sea and beach in front of you. – Turn Right. At next roundabout go straight over and continue along the road and after 600m approx you should see a restaurant called Semana 8 on your right and a Mas y Mas supermarket on your left. Continue straight along this road - it will go slightly up hill and curve to the right. After approx 200m look out for turning Calle Salonica which is on your right – turn right here. (There is a yellow sign GOLDEN PARADISE)

Our apartment block is the last block on the right at the end of this road. The pedestrian entrance is off this road. To access the underground parking, continue to the bottom of the road and turn right. Then turn right again into the garage entrance – use your garage key to activate electronically operated doors. You may unload your bags here and from the garage there is a lift to the top floor (3) – turn Right out of lift to the end. You may use access through the garage at anytime and is convenient for unloading shopping and short cut to the beach, but unfortunately no parking is available. There is plenty of safe street parking adjacent to the apartment.
